

Family Camps

for families of all sizes and definitions

Moon Beach Camp has a long history of family camping hosted in the beauty and solitude of Wisconsin's Northwoods. Families of all definitions — traditional families, extended family groups, couples, singles, and many other nontraditional family groups continue to gather for rejuvenation, relaxation, discussion, and fellowship.

Our cozy and comfortable cabins, tucked under towering red and white pines, are heated for comfort on cool summer evenings, include indoor plumbing facilities, and offer a beautiful view overlooking Moon Lake!

Meals at Moon Beach are a treat in themselves. Campers gather around the common table at mealtimes in the dining hall for scrumptious, wholesome meals served family style — often capped with a hearty helping of your favorite camp songs!

The Moon Beach property features a sandy beach, access to four lakes with thousands of feet of shoreline, 100 acres of wooded land filled with wildlife and trails, and a wonderful bog. Come play in the crystal clear waters of Moon Lake, relax as you fish the peaceful lakes, indulge your creative side in Arts and Crafts, paddle down the Wisconsin River, bicycle through the surrounding woods, visit with old and new friends, or just sit quietly soaking up the peace and serenity of the Northwoods.

Each camp event takes on its own personality as participants gather to share, explore, relax and play together. The daily schedule balances opportunities for personal faith growth, meaningful time with family and friends, and time to enjoy the peaceful Northwoods.

Join us for one of these relaxing and renewing weeks of Family Camp!
