

Specialty Family Camps

Fishers of Men, Women and Children

Imagine quietly sitting in a boat on the fog-covered lake, enjoying the peace and quiet of the morning, and the wonder of nature. Cast your line and watch the circles ripple outward toward the shore. Second only to the catch of the day, these moments are among the joys of fishing.

Whether you're hooked on fishing or just a beginner, this weekend is for you. Come alone or as part of a family and join together in Christian fellowship and a weekend of fishing. Days are spent relaxing and fishing on both Moon and Little St. Germain lakes. Each evening guests gather in the lodge for fun, fellowship — and fish stories! One of the many highlights of the weekend is the Sunday morning fish fry brunch.

8205 Fishers May 21-23 Moon Beach

Age	Deposit	+	Balance	=	Total Cost
Under 2	-0-		\$16.00		\$16.00
2-3	\$12.00		76.00		88.00
4-11	16.00		96.00		112.00
12+	18.00		112.00		130.00

Single Parent Family Camp

Single parent families face many unique challenges. Among these challenges is finding time to relax and enjoy each other — without carving time out to cook, clean, and wash dishes. This event provides an atmosphere and setting in which families can share, play and relax together with other families which face similar challenges. Hosted in Oak Mound Lodge, our beautiful retreat center, families have privacy and all of the comforts of home.

Parents and children — as young as infants and as old as young adults — come to relax and play together as a family and to interact with other families with similar life stories.

Enjoy sailing, toasting marshmallows around a campfire and vespers as you watch the sun set over Green Lake and more. Most of all, come enjoy a weekend away — with delicious food and no headaches — with your children.

8296 Single Parent July 23-25 Pilgrim Center
