Three camps and retreat centers, one outdoor ministry family

MOON BEACH

Moon Beach offers camps, events, and retreats year-round and looks forward to welcoming you!

Escape to the quintessential Northwoods Wisconsin retreat of Moon Beach, where hospitality has thrived for over 65 years! Situated on 110 acres between Eagle River and St. Germain, embraced by the serene shores of Moon Lake and Little Saint Germain Lake, this haven offers a symphony of natural wonders – from tranquil waters to lush forests, abundant wildlife, and offers some of the area’s finest stargazing.

Here, amidst this enchanting backdrop, you’re invited to unplug and awaken your divine connection with God, humanity, and the natural world. Through playing, relaxing, and learning together, we are transformed.

Moon Beach was originally a family-owned fishing resort. The camp was established in 1957 and is unique in its history of family camping. Many Moon Beach guests

began coming as children with their extended families and continue the tradition with their children and grandchildren. Today, families of all sizes and definitions make up this unique experience and community.

The Moon Beach lodge is the hub of camp with a large stone fireplace, a dining hall, the camp store, and offices. Our cabins and buildings overlook Moon Lake. Along the shore of Little St. Germain Lake, you will find a fishing dock and sitting benches. The grounds contain a variety of nature trails, a labyrinth with a sound garden, and places for activities like sand volleyball. Explore area bike and ski trails, be creative with arts and crafts, and enjoy music around the campfire. Walk the labyrinth, or watch in wonder as a bald eagle soars overhead – there is truly something for everyone!

Moon Beach is available for your group, family, or personal stay.

Gather as friends, families, and communities of faith on the shores of Green Lake for summer camp, a retreat, or your special event!

On behalf of our community of campers, staff, alumni, and Board, we welcome your family to ours! Since 1902 we have been dedicated to helping people—especially young people—grow in their faith, develop confidence, and create friendships that last a lifetime through fun outdoor experiences grounded in spiritual values.

We are fortunate to share this extraordinary place, this setting of incredible natural beauty and spiritual connections on the southeast shore of Green Lake – the deepest natural inland lake in Wisconsin. Green Lake is a premier spot for sailing, boating, fishing, and other recreational water activities.

Daycholah Center is sacred ground and has been for generations. It is the ancestral homeland of the Ho-Chunk people. Our name, Daycholah, is the original Ho-Chunk

name for Green Lake. This name is a step on our journey toward being a welcoming and inclusive place for all, as we strive to uphold justice and belonging as essential pillars of our mission.

We are excited to introduce Camp Daycholah, our summer camp experience for youth of all ages. The weeks of camp are organized around session age groups and activities, and we offer a variety of session lengths to help find the ideal fit for your camper.

Daycholah Center offers year-round multigenerational events, youth camps, and retreats. The hospitality and the community of people who gather here will make your experience feel like home-away-from-home. Daycholah Center looks forward to welcoming you!
