How To Request Financial Assistance

United Church Camps Inc. (UCCI) is committed to barrier-free participation. Several types of financial assistance are available. You may have multiple ways to reduce the cost of attending. **Scholarships, installment plans, and discounts may all be used for the same registration.**

Scholarship Form - Please submit at least 6-weeks prior to your attendance

The Scholarship Application is available in the registration system as part of the forms section. The form is optional and can be submitted during or after registration. To be considered for a scholarship, please complete the form in its entirety. You will enter the name of the participant and the amount of assistance that you are asking for. If you are currently a church member, we ask you to contact your church for additional financial assistance they may have available to you. As part of the review process, UCCI will contact your church in order to provide you with as much financial support as possible. Forms are reviewed and awards made based on need, generally up to 50% of your cost can be covered.

Financial Assistance Form (Installment Payment Plan)

The Financial Assistance Form is also part of the registration process. Use this form to ask for an installment plan to make your payments. A manager will contact you to set up your plan.

Transfer Codes

These are special codes provided to guests prior to registration. A Transfer Code is used when your church or another organization is covering some of the cost of attendance.

Payment Voucher

Typically a credit balance on your account from a previous registration that was canceled or adjusted.

Request Applicable Discounts

Applicable discounts are available for select camps and events. The registration system will show you what is available to you based on the participant signing up and the camp session.
