About Us

Golf Fore Kids provides financial support for Camp AweSum, an organization that operates both youth and family camps, in conjunction with United Church Camps, Inc., designed for children with an Autism Spectrum Condition (www.ucci.org, Camp AweSum link) under the consultation of Glenis Benson, Ph.D., Autism Spectrum Disorders: Consultation and Personnel Preparation.

At Camp AweSum campers learn new skills, gain confidence, develop lifelong friendships, and safely experience a summer camp designed and staffed specifically for their needs.

Through our annual golf event, funds are raised to ensure the continued operation of these special camps. Financial scholarships are also provided to aid campers who require assistance to attend.

About the Benefit

The Golf Fore Kids benefit began in 1997 to encourage and support children in a myriad of enrichment experiences. Since then, we have focused our mission on helping children who struggle with an Autism Spectrum Condition.

Golf Fore Kids is a major benefactor of Camp AweSum, a unique camping experience in St. Germain, Wisconsin, designed specifically for these children and their families.

The GOLF FORE KIDS benefit would not be the success it is today without the help of many people contributing in a variety of ways.
